## INSTRUCTIONS FOR PRINTING THE FALL CAMP BROCHURE

The Fall Camp Brochure document is designed to be printed and folded into a 4-page,  $5\frac{1}{2}$  by  $8\frac{1}{2}$  inch brochure. Some of the Fall Camp staff like to print and fold a few to distribute in our parishes. To do that yourself, please follow these step-by-step instructions.

- 1. Print the document on two sides of the same sheet of 8 ½ by 11 inch paper. In the printer app, specify flipping the document on the short edge.
- 2. Fold the printed sheet as shown in the illustration.
